

APPLICATIONS BEING ACCEPTED FOR

HORTICULTURE & LANDSCAPE MANAGEMENT INTERNSHIP

Applications are being accepted for Fernwood's 11 week Horticulture and Landscape Management Internship. The internship provides a unique opportunity for students to gain practical work experience and exposure to the world of public horticulture and various aspects of natural areas management while building a strong skill set for future employment in Horticulture or Natural Areas Management.

Students should be currently enrolled in a degree program at an accredited college or university studying horticulture, forestry, landscape management, restoration ecology or related subject. Applications are available online at www.fernwoodbotanical.org.
